omitted to provide for
the fixed allowance payable
to the Sub-assistant Surgeon
at Mudegere as also ^{for} the
usual allowance of Rs 10/- payable
to the Hospital Assistant at
Lariker for his visiting
Lakkavalli once a week

(4) In explanation, he
stated that in the case of
the fixed allowance due to
the Sub-assistant Surgeon
the Board sought relief by
proposing that the Sub-assist
Surgeon should get the
mileage travelling allowance
like all other subordinates -
a charge debitable to Medical
Budget unlike the fixed
allowance from Distt Funds.

5. As regards the second
item

item (3) stated that it was ~~an~~ an omission due to oversight, and requested sanction to the payment of the usual allowance to the Hospital Assistant at Larikere.

(6) Thereupon the two points were referred to the Senior Surgeon for his opinion.

That officer states in reply that the Sub-Assistant Surgeon of Muddegere may be granted travelling allowance debitable to Medl Budget in lieu of the fixed allowance of Rs 25/- hitherto paid to him from District Funds.

As regards granting an allowance to the Hospital Assistant at Larikere ~~for his maintenance~~
 to

S. S's letter no 1775-07
12-10-00

~~to Lakshavalli~~ He states
that the Hospital Assistant
was only deputed to visit
Lakshavalli for 3 months
as a tentative measure and
~~and that it is not advisable~~
and that it is advisable that
he should discontinue to do
so, as, owing to the outbreak
of plague at Shimoga there
is a great exodus of people
to Tavikere and other places,
provided however that he may be allowed
to resume his visits as soon as the Plague ceases at Shimoga
Submitted for orders as to

whether an order may be
issued in accordance with
the suggestions made by the
Senior Surgeon.

Submitted with draft for approval

Sir

In reply to your docket

no: 13328
L. F. 144-92 of the 6th June 1900 requesting
further explanation on the subject of
allowances to medical subordinates
for visiting places other than their
Head Quarters, I have the honor to
state that at the meeting of the District
Fund Board held on the 29th January 1900.
it was resolved on the application of the
Sub. Assistant Surgeon at Mudigere,
that he may be allowed to draw
mileage

(includes travelling
allowance or other
allowance. Please see
Haden President's No 446
9/16/3/99) -

Mileage like all the other sub-ordinates
instead of the fixed allowance of Rs 25/-
per mensem given him from District funds
until a permanent dispensary is established
at Balur

2. As no funds were available in the budget
under reference for establishing a palika
dispensary, and as the mileage would be
charged to medical Budget, the provision for
the fixed allowance of Rs 25/- per mensem
was omitted in the Budget with the remark
"omitted as he will be given mileage".
3. As regards the omission to obtain the
sanction of Government to the payment
of the allowance to the Hospital Assistant
at Darikere for visiting Lakshvali once a
week I beg to state that, through oversight,
this item was omitted, when provision for
appropriation was applied for in this office
letter No: 7464 dated 15th May 1900, I therefore
solicit that sanction of Government may now
be obtained.

Sir,

With reference to the Proceedings of Government and order thereon No. 384-85 /L.P.I44-92 dated 12th July 1900 and subsequent reminders, I have the honor to state that I am of opinion that the Hospital Assistant of Tarekere should be given the usual allowance of Rupees 10/- plus travelling allowance to be drawn from Local Fund, and the Sub Assistant Surgeon of Mudigere may be granted travelling allowance in lieu of fixed allowance of Rs. 25/- per mensem from the Medical Budget. The Hospital Assistant at Tarekere was only deputed to visit Lakavalli for 3 months as a tentative measure, but if in the opinion of the Civil Surgeon and Local Fund Board, it is considered advisable he should continue to pay weekly visits to Lakavalli, he may do so, though at present I think it is advisable he should not do so, as owing to the outbreak of Plague at Shemoga there is a great exodus of people to Tarekere and other places and his presence is desirable, as soon as Plague ceases at Shemoga he may be allowed to resume his visits.

I have the honor to be

Sir,

Your most obedient servant

Lt. Col. I.M.S
Senior Surgeon & Sanitary Commissioner
Mysore Government.
